14th International Conference of Managing Information Technology (CMIT 2026)

February 14 ~ 15, 2026, Chennai, India

Call for Participation

We invite you to join us in **14th International Conference of Managing Information Technology (CMIT 2026)**

The 14th International Conference of Managing Information Technology (CMIT 2026) invites researchers, practitioners, and industry experts to explore how organizations govern, adopt, and create value from emerging digital technologies. As AI, data driven systems, and next generation infrastructures reshape industries, effective IT management has become essential for innovation, resilience, and strategic advantage.

CMIT 2026 welcomes submissions that advance understanding of the managerial, organizational, and societal implications of modern information technologies. We encourage work that offers new insights into digital transformation, responsible technology governance, and the evolving role of IT in shaping the future of business and society.
