

Call for Participation

We invite you to join us in **7th International Conference on Soft Computing, Artificial Intelligence and Machine Learning (SAIM 2026)**

This conference invites high quality research contributions from academia and industry. SAIM has established itself as a forum for presenting cutting edge advances in AI, machine learning, soft computing, and intelligent systems.

SAIM 2026 aims to bring together leading researchers to exchange ideas, discuss innovations, and explore emerging challenges shaping the future of intelligent technologies. We welcome original, unpublished work that pushes the boundaries of theory, methods, systems, and applications.

Highlights of SAIM 2026 Include:

- 14th International Conference of Information Technology, Control and Automation (ITCA 2026)
- 14th International Conference on Foundations of Computer Science & Technology (FCST 2026)
- 14th International Conference on Information Technology in Education (ICITE 2026)
- 14th International Conference on Signal Image Processing and Multimedia (SIPM 2026)
- 14th International Conference on Software Engineering and Trends (SE 2026)
- 18th International Conference on Computer Networks & Communications (CoNeCo 2026)
- 14th International Conference of Managing Information Technology (CMIT 2026)
- 14th International Conference of Advanced Computer Science & Information Technology (ACSIT 2026)
- 7th International Conference on Semantic & Natural Language Processing (SNLP 2026)
